

April 1976

PASTORAL LETTER

My Dear Friends,

There is nothing in the world quite like an English Spring. I am thankful that in Britain, Easter always comes in the Spring so it is natural, and surely providential that we should see in this re-awakening of nature to life all round us, a sort of parable of the resurrection.

Yet the truth itself is far greater than these reflections of it. For in nature the new life is too short lived and fades again almost as quickly as it blossoms. That is why nature in all the freshness of her beauty still cannot adequately tell of Him whose day is followed by no night, whose Spring will never have to endure another winter. For as the Epistle to the Romans tells us (Chapter 6, Verse 9) "Christ being raised from the dead, dieth no more: death has no more domination over Him".

His triumph over death is final and complete and it can never be reversed. "I am He that liveth and was dead" he says to us "and behold I am alive for evermore". (Revelation Chapter 1, Verse 18).

So the gospel we preach is the gospel of the resurrection and if the resurrection had never happened, there would be nothing to preach.

It is that certainty that Christ had risen from the dead which transformed the disciples so dramatically from a group of frightened disillusioned mourners to men of such courage and conviction that they turned the world upside down. The disappointment of Good Friday had been changed into a radiant unconquerable hope which nothing could undermine, and we share that hope.

Do you?

If not, why not?

Yours sincerely,

Allan Campbell
Rector.

HOLY MATRIMONY

On 17th January 1976

Terence Charles de Courcy Prideaux to
Stephanie Mary Morley Hall

On 24th January 1976

Rodney Mark Bell to Sarah Jean Higgs

MICHAEL ELLIOTT

I found myself wondering how Michael was finding his life in New Zealand, and how he was enjoying the challenge of his new work. And then I began to wonder, in a different sense of the word, at the way he had touched the lives of so many of us in the short time he had been here.

How can it be that someone who holds such strong views can be respected and loved as a friend by so many of us, some of us having very different feelings? I think the secret lay in his own genuine warmth towards us - nothing wishy washy but something which enabled us to accept him as he was, just as he clearly did the same for us. To have known him on his own terms is a privilege in which we have all shared, and in sharing it, have possibly become closer to one another.

We miss him.

M.N.

FAREWELL TO MICHAEL ELLIOTT

Just before Michael Elliott left Coleshill to take up his new job in New Zealand last December, a farewell party was held in the school.

About 60 people attended to say goodbye to him and wish him Godspeed. He was presented with a briefcase - which he wanted for his travels around the Pacific Islands - and a cheque. At the same time tribute was paid to all he had achieved in the Village during the short time we had been privileged to have him with us.

It was a cheerful and informal party - just the sort of occasion he enjoyed - yet tinged with sadness too.

N.N.N.

HEWS FROM MAGILA

Did any of you see the Television Programme on "Horizon" a short time ago? The documentary film was made at Magila and concentrated on health work in neighbouring villages, done by nurses from the hospital. There are now 18 clinics for which the hospital is responsible and the mobile team sees about 6,000 children a month, their aim being to immunise all children under 5 years of age, and at the same time to give health education to as many families as possible.

Sister Edith Francis sends special thanks for our long standing interest in the work - and for the donations, lovely blankets and other gifts sent from Coleshill. Our little Hari has now started nursery school and loves it. His family never come to see him so next year a good foster home will have to be found for him as he will then be five years old.

M.W.

R.I.P.

Since the last issue of the Newsletter, it is sad to advise that the Village has lost by death the following who, among others, contributed so much to the welfare of the community.

Violet Dodds. On the 13th January, a member of the congregation and perhaps better known as the wife of George Dodds, an Arnhem veteran.

Alice Daisy Crighton. Aged 88, who died peacefully in Amersham Hospital on February 1st, and had a very long association with the Village. She was a founder member of the W.I. and up to a few years ago, she took a lively interest in its activities.

Margaret ("Kit") Asher was taken away on the 2nd February in the middle of a very active life. She could always be relied upon to respond to appeals to help other people and was assistant Hon. Secretary to the Church Committee.

F.W. Saunders. Died on the 16th February. After serving in the Navy, he was well known as the gardener at Rushymeade.

James ("Jim") Grayer. Died on the 2nd March. Correct in everything he did, he was a man to look up to. He would never take office on any local committee but was always ready to help in connection with finance at the Church Fete, the Village Hall jumble sale, etc.

Sincere sympathy is extended to those who have been left behind.

WOMEN'S WORLD DAY OF PRAYER

The Women's World Day of Prayer was held as usual on the first Friday in March.

The speaker, Sister Marie Bernard of the Holy Cross Convent, Chalfont St. Peter, gave an inspiring address on this year's theme "Education Through Living". The collection was £8.85.

Next year's World Day of Prayer will be held on the 4th March, 1977.

MOTHERS' UNION CENTENARY YEAR

May 12th Archdeanery Centenary Festival 2.30 p.m. All Saints'
High Wycombe

June 6th Family Day with special service at St. Mary's Amersham. 6 p.m.

June 15th Overseas Sale and Service at Central Hall, Westminster at 2.30 p.m.

JOAN DRYDEN

Joan Dryden comes of a family which has taken a part in the life of local communities for many generations - in fact there were Aldridges hereabouts in the thirteenth century.

So it was very fitting that she should have served Coleshill as the Hon. Secretary of the Church Committee, which she served with distinction for many years from 1961 until she handed over to Nigel Nicholls, who carried on as Pro-Warden and Hon. Secretary until 1973. Then Joan was pressed to resume office and for another three years she occupied the post with her usual self effacing efficiency.

Now ill health has obliged her to give up this work but happily we do not have to say goodbye to her on the Committee. We all extend our warm thanks to her and best wishes to her successor, Miss McLean.

J.C-T.

CHURCH COMMITTEE

At a recent meeting of the Church Committee, Mrs. Lawrence and Mrs. Waite tendered their resignations, which were accepted with much regret, and the Rector said how much their services had been appreciated.

The following were elected: Mrs. Horsbrugh Porter, Mrs. Spencer and Miss Penny Weedon.

The following are still members of the Committee: Mr. N.N. Nicholls and Mr. J. Chenevix-Trench, both Pro-wardens and Synod representatives; Miss S. Boston, Mrs. J. Dryden, Mrs. Harris, all P.C.C. representatives; Mrs. C.R. Harvey, Mrs. N.N. Nicholls, Mrs. A.M. Ovington, Mrs. R. Stubbings, Miss P. Wright-Warren, Mr. R.F. Coales, Mr. H. Kennerell, Mr. R. Stubbings together with Mr. A. Panton (Hon. Treasurer and P.C.C. representative); and Miss H.C. McLean (Hon. Secretary).

CHRISTIAN AID WEEK

In the Village Hall on Saturday, 22nd May, there will be a cake stall - everybody knows how excellent are the home made cakes produced by generous donors in Coleshill. Also MYSTERY PARCELS at 25p per parcel.

We ask for your help in making this morning a success. A gift or gifts for the parcels will be gratefully received by Peggy Gow, Stock Grove, Barrack Hill, Coleshill.

Please join us in the Hall and learn a little of what Christian Aid is doing for the under privileged folk in our own country and overseas.

We anticipate a happy social occasion amongst our friends with a pleasant surprise when we open our "Mystery Parcels". Entrance FREE. Coffee will be available. (A bargain - worth more than the asking price).

COLESHILL PARISH COUNCIL - ANNUAL GENERAL MEETING

The Parish Council met on 22nd March, 1976, for its Annual General Meeting, at which members of the Public are entitled to put their views on Village matters. The evening was very cold and only one brave person attended.

The Chairman gave his report on the past 12 months and said that the Parish Council had managed to persuade the Thames Water Authority to use smaller "HYDIG" lorries on their journeys through the Village.

There had been discussions and attempts to get a reasonable and reliable Bus service without much success, but it must be appreciated that as there are so few passengers it is not economical for London Country Buses to run a more frequent service.

Concern had been expressed at the prospect of the Fluoridation of the Water supply, and this matter was taken up with the Public Health Department who said that fluoride is not being put into the water at present, and there was no intention to put any in in the near future.

Conservation Area. Another attempt was made to make Coleshill a Conservation area, but the County had said that the Village had no groups of buildings worthy of conservation.

The Parish Council had supported the Chiltern District Council in their opposition to the establishment of a stall to sell food and beverages at the junction of Bottrells Lane with the Amersham-Beaconsfield Road. It seemed that this, if allowed, could create a dangerous precedent.

Parish Boundary. After a meeting with the Amersham Town Council, it was decided to recommend that the houses from Brickwick to the Water Tower be transferred from Amersham to Coleshill Parish. There had been no objections to this suggestion.

Coleshill Common. The Council was advised that the thickness of the undergrowth on the Common from Barracks Hill to the back of the Old Parsonage constituted a fire risk. This had been dealt with and a suitable fire break has been formed.

Diversion of Footpath No 1 at Old Rafters, Magpies Lane. No objections had been received regarding this diversion, which was asked for because of a proposed extension to the house, and the Diversion Order was duly made.

Last year Coleshill won the Cup Winners Cup in the Tidy Village Competition. Every one will have seen the sign standing by the Pond, and it is hoped that Villagers will do all they can to see that it remains in that position, as it is a costly exercise to transport this sign around the countryside.

Village Centre Sign. The Parish Council had informed the Highways Authority that this was considered by the Council to be a waste of public money, but the County had written to say that it had been put in place for the convenience of people who were not familiar with the Village.

The Parish Council had given a donation of £25 towards the cost of lopping some of the trees in the Churchyard. It was felt that it was in the interests of the Village to help keep the Churchyard in good order.

Gipsies. The Council had kept up its pressure on the usual bodies such as the Police and the County Council to move on these itinerants. Aid had also been sought from the District Council to clear up the litter from these encampments.

Planning Applications. The Council had kept a close eye on all applications, but it is not totally obstructive as far as these requests for permission to build

or extend are concerned. We do try to ensure that new buildings are in keeping with other buildings in the Village. Coleshill is on the whole a very pleasant village in which people enjoy living.

The Parish Council is willing to help anybody if it can, and will take up a cause on behalf of villagers providing the whole Council agrees. For instance, the Council had agreed to support the efforts of the new Parents and Friends Group attached to Coleshill School, and to give assistance if required.

After a short discussion the Chairman thanked the member of the public for her attendance and declared the Annual General Meeting closed.

F.S.

1st COLESHILL GUIDE COMPANY

First, we should like to thank everyone who supported in any way our open evening in December. We were able to give just over £26 to the All Saints' Church Fabric Fund.

This term one recruit has been enrolled, Julie Edwards, who is now a member of the Snowdrop Patrol. Sadly we lost Sharon and Nicola Reavey who have moved to Prestwood and joined the 1st Prestwood Company.

Badges this term have been gained by Eileen Davis, Health, Craft, Friend to Animals, Challenge; Joanna Swerling, Homemaker; Julie Edwards, Craft. Beryl Smith, Jane Swerling, Wendy Williams and Rachel Wege, 2nd Year 8 point progress badge.

Beryl, Eileen and Wendy took our Colours to the District Thinking Day Service at Chorleywood on the 22nd February.

Mrs. Chenevix-Trench came to teach us some more dances, much enjoyed and we hope she will be coming again. Patrols have been cooking and doing handicrafts, cooking included a happy pancake-making session the Monday before Shrove Tuesday.

Our Easter Good Turn is to raise some money for Guides in Guatemala who have suffered from the earthquake, and we have a competition for the best hand made Easter Egg.

Next Term begins April 26th 1976.

H.J.M.C.

1st COLESHILL BROWNIES' NOTES

The end of last term saw us singing Christmas Carols at Coleshill House and Rushmeade in the company of some of the Guides, and some of our mothers.

This term started on January 12th. We have had a new sixer in the Elves (as Julie Edwards has joined the 1st Coleshill Guides), Susanna Davies with Lois Plumridge as her second. Ruth Jerram is sixer of the Imps with Susan Williams as her second. The Pixies and Sprites remained the same. Vanessa Seymour and Julie Ellis were enrolled on our Thinking Day meeting and Alexandra Hesford has also been enrolled this term.

Six Brownies passed the Animal Lover badge, and six Brownies Safety in the Home. Rhiannon Proctor acquired her Artist badge. V/e attended Church on February 29th, and hope we shall all be present on Mothering Sunday.

We have been "buying Easter Eggs" (on paper) as our Easter Good Turn and the money will be sent to Guatemala for the Guides over there.

Our last meeting of the term is March 29th and we start again on April 26th.

G. Richardson

THE NOBLE SPANIARD

Our readers, who like me believe that nothing succeeds like success, will understand why I use this as appropriate to the presentation of 'The Noble Spaniard' by the Coleshill Village Drama Group on 5th and 6th December last. Undoubtedly this was their most successful production and portends well for their future.

Any product of the pen of Somerset Maugham conjures up anticipation of enjoyable entertainment, the more so it seems when it is adapted from the French of Grenet-Dancourt.

The complications that developed as Acts I and II revealed the story were such that one found oneself wondering how it would be possible for it to all unwind and so impatiently await Act III.

Daphne Farmer (Lady Proudfoot) and her stage husband John Horsbrugh-Porter (Mr. Justice Proudfoot) were so steeped in their roles that they were still absorbed when taking three curtain calls on the first night.

Stephen Hitchen (The Duke of Hermanos, etc. etc.), like Ann Chenevix Trench (Lucy) and her sister Rita Rann (Marion Nairne) could not have been better cast, which was indeed applicable to the whole cast, especially Elizabeth Harvey the maid (Mary) so brilliantly portrayed, Henry Maynard (Captain Chalford) and not forgetting Hugh Jones (Count de Moret) and Dora Post (Countess de Moret) without whom the complications of the story would not have been possible.

The set was worthy of any stage and thanks must go to Richard Farmer and Bertha James for the great amount of work and thought that went into its creation, but it was the ability of the Director, Patsy Wright-Warren that made the fine scenery come to life.

Thanks are due too to Pat Emblow and Joy Chalk who must have worked very hard on the wardrobe, the costumes and scenery being brilliantly illuminated by Hugh Jones.

Diana Maynard was surely pleased to be a prompter so underworked!

R.J.W.

MUCH ADO ABOUT NOTHING

Isn't it quiet now that the ACAC have stopped campaigning? A false alarm!

These and similar criticisms were levelled at the Amersham & Chesham Aircraft Campaign (ACAC) following the introduction of the new westerly flight path over Coleshill, Amersham and Chesham nearly a year ago. Paradoxically, the fact that these criticisms were made at all is surely clear evidence that the campaign did meet with some success. Aircraft noise has been far less than the levels originally planned for this area by the Civil Aviation Authority (C.A.A.) before ACAC was launched.

The reduction in noise is the result of route and operational changes agreed with C.A.A.

They are:-

1. The dispersal of planes, formerly north of Burnham and latterly north of Tylers Green to spread the "misery" more fairly throughout the Chiltern District area, with the result that only 40, instead of more than 100 planes are overflying Amersham and Chesham - still the official route.

2. An instruction to pilots not to climb, but only to cruise over Amersham when flying below 6,000 feet.

3. The raising of the minimum height from 6,000 to 7,000 feet of the Heathrow arrival stack

and following pressure from Beaconsfield residents through their M.P.

4. The fine tuning of the route to avoid that town which has also benefited Coleshill - now on the southern fringe of the official route.

Of course ACAC was vociferous - no pressure group seeking to stir up public interest and bring pressure to bear upon authority ever succeeded by campaigning in whispers.

However the campaign is now dormant, so what does the future hold?

Recently the Government issued a consultation document on Airport Strategy for Great Britain. This paper offers little joy for anyone living near an airport in S.E. England. Dramatic increases in passenger throughput are planned for both Heathrow and Luton, the traffic from which adversely affects the "quality of life" in this Village.

In particular the increase in Luton traffic will conflict with the present policy of dispersal of Heathrow aircraft and result in the concentration of traffic along the official route overflying Amersham and Chesham. If this happens, aircraft noise over ColesMll will be greatly increased and our peaceful village life will be threatened again.

Clearly we must remain vigilant and keep in touch with airport developments. Consequently, your Residents' Association are represented on the Aircraft Committee of the Amersham Residents' Association and this body will work closely with the Chiltern District Council and other local interests to study the new consultation document and make their views known to the Government.

Peter Williams.

CHRISTMAS CARDS

As a result of the suggestion that last year residents should not send out Christmas Cards locally, fees and donations amounting to £17.75 were sent to the Hon Treasurer, Church Committee for Church expenses.

HORTICULTURAL SOCIAL EVENING

An interesting and instructive evening was held at the Village Hall on March 5th.

At 7.30 people began to arrive, and received a warm welcome from the committee, and a glass of wine. At 8 o'clock, Mr. Ewart Smith, the Chairman of the Society, welcomed a large audience and gave the order of the proceedings.

Mr. Chenevix-Trench called his talk "The fields and farms of Coleshill" and he traced their development from A.D. 600, showing from his map how the whole of the area was then covered by trees. Settlers from Tring came and gradually cleared much of the woodland for the, grazing of cattle. Coleshill, in those days, was called "Coleshill Green" and the pond area "Clere Mere". Among other interesting items, he told us that some of the oldest structure is to be found in the "Fleur-de-Lys"; Stock Place was once the Manor House, Thomas Ellwood, the Quaker, lived at Ongar Hill Farm; and also of the development of many of our now well-known farms.

The next item brought us nearer our own day and age. Mrs. Darvill gave us a charming picture of life in the village about 50 years ago as experienced by her sister, Mrs. Edwards and herself, who, incidentally, had written this article for the W.I. "Pattern of Hundreds". She told us of the lack of traffic, the children's games played in the road - skipping, hoop bowling and marbles* • She told of the flowers they picked in the hedges, the fruit and wood gathering, and the harvest. She spoke of the Wheelwright, and the Blacksmith, milk delivered in churns and many more interesting things. Her talk was greatly appreciated.

Mrs. Williams had brought a collection of stones, some dug from local gardens, which she had painted, guided by their shape and lines, and made into attractive ornaments. She gave a short talk on her hobby.

Mr. Murray Rann, an enthusiastic collector, had a large number of specimens on show in the hall - tiles from the old potteries at Penn, old clay pipes, kitchen pottery, bottles, wine glasses, iron articles and a dagger from the Civil War days. These he showed on a screen, with explanations and comments.

In the interval coffee and cakes were enjoyed, which gave a little time for chatting to friends.

This was quite a new venture from the Horticultural Society and the committee are to be congratulated on their initiative and hard work. About 100 people attended and the Society wish to thank them for their support.

D.P.

SCHOOL MIST DRIVE

The annual Whist Drive held in the School on Thursday, 25th March, was a joyful success. More than 40 people enjoyed a hilarious evening and 25 went home with prizes. A net profit of £24.48 was realized, part of which will be used for the purchase of a new tropical fish tank.

COLESHILL CLUB

This winter we decided to hold a New Years' Party instead of one before Christmas. This does not mean that our December meeting was not festive - quite the opposite, with the delightful entertainment provided by Jack Emblow and his friends. Patricia Whitmore very kindly came along with them and she sang several solos and led the audience in community singing. It was a really happy afternoon.

In January, we invited the Winchmore Thursday Club to share our New Year Party. We were amazed and delighted to find that ninety-two were sitting down to tea, but such is the generosity of our many supporters that there was more than enough party food to meet our requirements. It was a great pleasure once again to welcome friends and relations from our neighbouring village.

Mr Martin made a second visit to the Club in February, when he gave an illustrated talk on places of interest in this country.

We welcomed Mr T Line as a new committee member - he has agreed to act as Outings Secretary and we appreciate his help.

M.W..

COLESHILL FIRST SCHOOL PARENTS' AND FRIENDS' GROUP

In the autumn of 1975, there were rumours that First Schools in Buckinghamshire with an enrolment of under 50, (this has now been fixed at 40), might have to be closed on economic grounds.

Coleshill with an enrolment of 24 would come in this group and parents of the present pupils called a meeting, to which managers were invited, to discuss the situation. At this meeting, the Coleshill First School Parents' and Friends' Group was formed - with the one object of ensuring the future existence of the School. Mr James M Denning was elected Chairman, Mrs M Richings Secretary and Mr A Richardson Treasurer.

The first General Meeting of the Group was held on 23rd February to report on activities since December and to seek further direction and ideas.

Obviously there had been great activity and much had been accomplished. The Group now had a clearer picture of the Education Authority's policy and methods; the Authority in their turn had acknowledged Coleshill's efforts and desires for the future of the School; many letters had been written with encouraging replies; a leaflet, with photographs about the School had been printed to be distributed as widely as possible; money-raising had now to be considered and a Coffee morning with a cake stall will be held in the School on Saturday 3rd April.

The Group needs and hopes for every support in their efforts to ensure that this good School at Coleshill does survive.

H C McL

CAROL SINGING

The party that sang carols around the Village in aid of Church funds collected £26. We thank everyone who contributed to this effort.

P ¥

CHURCH CLOCK

In response to the appeal for funds to repair the clock, the Hon. Treasurer received £47. The actual repairs cost £254.88 made up of £112.32 for scaffolding and £142.56 for the actual repairs to the clock.

Any further donations will be appreciated by the Hon. Treasurer.
