

DECEMBER, 1976.

PASTORAL LETTER

My Dear Friends,

I would like to wish you all a very happy Christmas. I hope in your own homes and with your families gathered with you, you will have much fun and happiness. Of course, we must let Jesus share in our fun and we must meet Him that morning at his Holy Table, just as we say grace at our own Christmas table, knowing that he is with us in a very special way on his birthday.

It was only recently we had our Remembrance Day Service **again**. On that day we thought of duty, service and consideration for others. It is a sad fact that in life today, we see little evidence of those virtues around us.

Our Lord spent his life on earth, being of service to others, considering others and having "**Compassion on the Multitude**". Let us pray that this Christmas may help to restore again those virtues to us, and that we may again learn to love our Lord, and our neighbours, so that we are not constantly pushing ourselves into first place.

This prayer may be of help to **you:-**

Lord Jesus
Give us such love and charity as you have
Show us how you were able to give rather than receive
Teach us to have your mind in all things
And help us to keep this festival of your humility
So that we may consecrate ourselves to the
service of all who are in **need**.

Amen.

Yours sincerely,

Allan Campbell,
Rector.

HOLY MATRIMONY.

On 3rd October - Douglas Raymond Middleton to Penelope Geraldine Keeling.

IN MEMORIAM.

Suddenly, on November 17th, Frederick William Sullivan died. He lived in Coleshill for 40 years and served in the R.A.S.C. in Egypt and Palestine, during the first World War.

It was with the greatest regret that the village heard on November 21st of the sudden death of Mr. Ovington who had lived in Coleshill for over twenty years. Born in 1890 he served in France during the first World War and was awarded the M.C. after the battle of Ypres and later the M.B.E. He went to Chile as a Lloyd's Insurance agent in 1925. After his marriage in 1931 he returned to England and became Secretary to the Corporation of Insurance Brokers. Recalled to the Colours in 1939 he served in connection with the defence of London for which he received the Territorial Decoration.

Ted always took a keen interest in Local affairs and after his retirement in 1965, he devoted much time to village matters. He was an ardent gardener - as was evident both from his garden and from his entries for the Horticultural Show. He was partly responsible for the Green Fingers stall at the Church Fete - and he proved his capability as a carpenter by the contributions he made to the Toy -Stall at the W.I. Christmas Bazaars. For many years he was a valuable member of the Church Committee, but perhaps his most notable contribution to the community was his acceptance of the post Editor of the village newsletter - a post he held from the first copy until now. He established an admirable balance between matters mainly concerned with the Church and With village activities and he often managed to secure interesting articles of general concern.

Though recently hampered by increasing deafness he will long be remembered not only as an Editor, but as a wise counsellor and a most delightful companion. He will be sorely missed.

THE QUEEN'S SILVER JUBILEE.

A Committee, under the chairmanship of Mr. Chenivix-Trench, has been set up by the Parish Council to consider and co-ordinate ways of celebrating the Queen's Silver Jubilee next year. The official celebration will fall on Monday and Tuesday, 6th and 7th June 1977, and since the traditional date of our village fete falls on the 12th, it is felt that it would be appropriate to make this our Jubilee Week. All organisations and bodies, in Coleshill are represented on the Committee, but if anyone would like to make his or her individual voice heard, please get in touch with the Chairman, who promises that all suggestions will be carefully considered.

In this connection, a suggestion has been received from Mr. Reg. Woolacott that residents might be asked to consider whether it would be fitting if they all displayed a Union Jack during Jubilee Week. He does not suggest that everyone should erect a flag mast. They could hang the flag, either large or small, from a window or a tree, but with so much gloom around, he feels it will hearten those for whom the Union Jack means something.

FAMILY SERVICES.

There is now a sub Committee of the Church Committee to arrange Family Services. The members are Miss. Davison, Mrs. Vince, Miss Weedon and Mrs. Coales. We discuss and plan the Services in detail and then they are discussed and approved by the Priest taking the Service, Mr. Nicholls is also provided with full details.

Mr. Carette, who has been licensed by The Bishop of Buckingham, to serve as Diocesan Youth Officer in the County is coming on 8th December, to discuss the next Family Service, apart from the Carol Service, on Sunday, 23rd January, 1977, which he has kindly agreed to take.

The idea is that these Services should include all members of the congregation and we are always glad to know of anyone who would in any way participate actively in the Service, especially young people. It is hoped to have a Family Service once a month.

ALL SAINT'S CHURCHYARD.

A working party of stalwart Coleshill men spent the morning after the Harvest Supper getting the Churchyard and Parsonage garden back into shape, after the growing weather of the Autumn.

Thanks to the tractor kindly provided by Mr. Grindley and ably manoeuvred through impossibly narrow gaps in the hedge by Charles Pusey, loads of old clay which had been dumped on the grass were taken away. The grass was cut and the hedge trimmed. The Guides also did great work in the Parsonage garden.

It will only be by working parties such as these that we can keep our Churchyard tidy in the future, now that we have no-one to look after it.

Our thanks are due to all those who took part.

VILLAGE FETE.

The Committee wish to extend the interest in this most popular annual event, and invite readers to think about the answers to the questionnaire, enclosed separately, and to fill in the form and return it to Mr. Robin Coales, Grove Mill, Coleshill.

MAGILA AT CHRISTMAS.

As you begin to think about your preparations for Christmas this year, will you once again remember little Hari and the other children in the Bay Unit at Magila Hospital.

Sister Edith Frances is, I know, always delighted to be able to provide a few extra treats for these motherless babies so if you can spare a few coppers, will you let me have them and I will see they are sent to her with best wishes.

HARVEST FESTIVAL SUPPER.

The annual Harvest Festival supper was held in the Village Hall on Friday, the 8th October. It was well attended by 130 people, but still there were not enough tickets to go round to all those who wished to come from outside the Village. After a delicious meal, excellently prepared by the Mother's Union, followed by a variety of puddings contributed by various members of the Village, coffee was served while the entertainment was prepared.

The first part of the entertainment which ensued comprised three humorous songs including "All Saints" Choir is Here" all written for the occasion by Penny Weedon. This was followed by a chorus of well known traditional songs in which the audience readily participated. The third part of the evening's entertainment consisted of movements from a flute sonata played by Pauline Griffiths and a flute, organ and voice composition by Penny Weedon. We also listened to a quartet "Autumn Leaves" sung by the choir. Mr. Woolacott compered the evening with his usual skill and humour.

The evening was officially ended with Mrs. Harvey speaking on behalf of old and new members of the Village, thanking the Mother's Union, in particular Mrs. Jessie Pusey, for preparing such a wonderful meal and for everything they had done.

Afterwards, many stayed and talked or danced to background music kindly provided by Mr. Michael Parkes.

JUMBLE SALE IN AID OF THE VILLAGE HALL.

For years those responsible for the Village Hall have been trying to get the higgledy-piggledy jumble, which they collect, in some sort of order for the bargain basement at their annual sale. This year the Director took the lead. He applied first aid to a number of tables, went below stage and produced some shelving for books and brought plugs to test various electric appliances, some of which worked and some which did not. (In future it would help if donors, without prejudice, would mark their gifts accordingly).

By the end of Thursday, the ladies, as always, being naturally tidy, had arranged their things- in very good order; Ladies wear, mens wear, shoes, boots, Ascot hats and all sorts. On Friday, the ladies went round with tape measures round their necks as in "Are you being Served" and "Moss Bros.". This year "Foyles", the book stall, was on the platform and in front there was a crockery market, splendidly arranged and priced by an enthusiastic supporter. "Steptoe & Son's" stall did very well and there was not much left after an auction held by some of the younger generation.

The proceeds amounted to well over £100.00, very much needed in view of the necessary repairs and renovations to the essential Village Hall.

W.I. ANNUAL GENERAL MEETING.

A well attended A.G.M. of the W.I. was held at the Village Hall on Thursday, the 11th November, when the Hon. Secretary, Mrs. Higgs rendered a report of which the following is a summary:-

She said that with their President, Mrs. Collier, members had a busy year and perhaps the most satisfying and certainly the most eye opening was the party given to deprived children in August (reported in the last number of the Newsletter).

The speakers during the year had been very good and had covered a wide range of subjects. An outing was arranged to Beecham's Cosmetic Factory and some members went to, and thoroughly enjoyed, an afternoon at Denman College. Again, the Christmas Bazaar was one of the highlights of the Village.

We have managed to send representatives to Council meetings and supported Group meetings. In addition, a number of members helped with the trolley service at the old people's homes in Coleshill, others with Heals on Wheels, others helped to transport old people to the Red Cross weekly lunches and to the Over Sixty Club, and all try to support the many functions held in the Village.

The President, Mrs. Collier, then thanked Mrs. Higgs for her excellent report. Then referring to the Committee, and mentioning all the people by name, who had undertaken the many and various duties in running a local branch so efficiently as Coleshill undoubtedly was, Mrs. Collier said how greatly she appreciated all their wonderful support and assistance.

Mrs. Collier then invited members to make suggestions about future programmes and would welcome the names of people to serve on the Committee. This does not entail a lot. Monthly meetings are most enjoyable and Council Meetings, particularly now being held in the Civic Centre, Aylesbury, are quite interesting. Finally, Mrs. Collier appealed for more new members and looked forward to a happy and worthwhile Jubilee Year.

The following officers were unanimously and enthusiastically re-elected en bloc. President, Mrs. Collier: Vice-Presidents - Mrs. Ovington and Mrs. Emblow: Hon. Secretary, Mrs. Higgs - Hon. Treasurer, Mrs. Browne.

MOTHERS UNION.

Mrs. Jessie Pusey has retired as enrolment member and Mrs. Jean Antosowicz has now taken over. The next meeting is on the third thursday in January.

1ST COLESHILL GUIDE COMPANY.

We started the term with Melanie Weller, Pauline Barber, Sussanna Davis and Rhiannon Proctor, joining us from Brownies and have since welcomed Anne Bullough, a newcomer to the village, as a recruit. By the time this is in print, We hope all these ladies will be enrolled as Guides. Wendy Williams is still with us and has not left as last reported. Jane Swerling is the new Patrol Leader of the Bluetits, Anna Horsbrugh-Porter, Snowdrop Second, Joanna Swerling, Kingfisher Second and Kay Speller, Second of the Bluetits.

Julie Edwards has gained her Toymaker badge, kindly tested by Mrs. Gow.. Beryl Smith, Eileen Davis, Wendy Williams and Jane Swerling have gained their third year eight point progress badges, all of which are very well deserved. As some of the original members of the Company, without their enthusiasm and Service, the Company would not be so flourishing. While Mrs. Love re-started Brownies in Coleshill, it was the original members who started the Guides and I think we have a lot to thank them for, especially as it is not always easy for older Guides with increasing school work and other activities to plan their lives to enable them to fulfil their Promise, which they manage so well. Jane Mileam and Kay Speller gained their 1st year eight point progress badges. . .

Guides have been very busy this term, they helped at the Village Hall Jumble Sale, spent a whole Saturday, working in the Parsonage Garden, have taken full part in the Family Services and entirely on their own, produced excellent and most amusing Skits on T.V., which they performed at the Local Association A.G.M. in Amersham. Jane Swerling as Angela Rippon, with descending false eyelashes, caused particular amusement.

On December 6th, we are, with the Brownies, having an Open Evening, at the Village Hall, with Coffee, Bring and Buy stalls etc. The money the Guides make will be sent in to All Saints' Church and Lifeboats. It will start at 5.45 p.m. and everyone is welcome.

On the 7th January, it is planned to have a Choir and Guide Party in the Village Hall. The Mothers Union, kind and efficient as ever, are giving a helping hand, there is Church support and offers of exciting puds! Also, practical help from Mrs. Ruffett, Mrs. Davis and Mrs. Swerling, so we look like having a jolly evening.

We hope to Carol Sing at Coleshill House, and Ruseymead, and will, doubtless, join in with the Church Carol Singing on the 22nd December.

H.J.M.C.

1st COLESHILL (ALL SAINTS') BROWNIE GUIDE PACK.

We have had several recruits this term, Emma Riching, who is now enrolled, Hannah Roberts, Nicola Hill and Nancy Irons, all of whom will soon be making their Promise.

Mrs. Swerling joined us as Tawny Owl and is now very much part of the Pack.

We had a farewell party with parents present for Badger. (Mrs. Richardson), our District Commissioner attended and enrolled Tawny as a Guide and Emma as a Brownie Guide. Badger was presented with a silver posy bowl as a memento of the Pack and she gave each of the Sixes a pencil case. We played games and ate delicious refreshments provided by the Brownies. We ended the party with a prayer and Brownie Bells.

Brownies sang a pop song at the Local Association A.G.M. in Amersham, which Tawny produced, they did it well.

Lois Plumridge, Paula Mead and Susan Williams are now Sixers with Clare, Wilson, Kim Ferguson and Elaine Timms as Se'conds. Elaine Timms and Amanda Lee have Footpath badges, Susan Williams gained her Cooks, Elaine Timms, Music and Singers, Judith Richardson, House Orderly Badge. Lois Plumridge received her 3rd year Star and soon will have a Cooks Badge, she had scarlet fever and could not take the test with Susan. We have been working hard to be good houseworkers, so hope to see lots of arms bearing, a badge with a brush on it very soon.

During half term Tawny had a Sausage Sizzle on her farm which I heard was great fun, I am sorry I missed it, but at least I was having a picnic on the shores of Loch Etive in Argyll, at the same time, so I too, was having fun out of doors, part of our Brownie programme.

We were very sorry to lose Judith Richardson at Half Term and wish her every joy in her new life and Pack. I hope we shall hear how she fares.

We have taken full part in the Family Services and look forward to Carol singing at Christmas time.

Please come and support our Open Evening on 6th December, Village Hall at 5.45 p.m. Our stall is in aid of money to help buy and train a dog to be called "Brownie" for a blind person.

You will see All Saints' in our heading, started by Mr. Love, we are a Church Sponsored Pack, the Guides' are not as there was no one here at the time of registration to sign the form, but they also very much feel part of their Church. But being Church sponsored does not mean a closed Pack or Company; we welcome girls of every denomination.

Brown Owl.

COLESHILL CLUB.

The 2nd A.G.M. of the Coleshill Club, held in September, gave us the opportunity to look at ourselves - and what do we see? A group of members, financially secure, meeting every month to chat, enjoy a variety of sedate entertainments and have a cup of tea. We have settled into a routine to such an extent that the Committee was re-elected 'en bloc' with the welcome addition of Mr. and Mrs. George May.

Should we feel uneasy? Are we lacking inspiration, or is the quiet, friendly routine what we enjoy when we are retired? In any case, it is important to maintain a certain vitality about the meetings, and one way this can be achieved is if more people would be willing to serve on the Committee and bring new ideas into the Club.

A warm welcome awaits anyone, not necessarily 'Over 60', willing to join us and help to keep the club stimulated.

In October, we held an open meeting with a Bring and Buy Sale. This gave us the opportunity to share the afternoon with non-members, and also to add £13.00 to the Funds.

Mr. May, is arranging a trip to the pantomime in January, and he has other outings under consideration. We are very grateful to him for undertaking this demanding job.

COLESHILL DRAMA GROUP.

I doubt very much whether Peter Coke, when writing the comedy "Breath of Spring" had the Coleshill Village Drama Group in mind, but he could have, because their presentation of this play on the 19th and 20th November, was such that the individual performers could have been in the mind of the playwright, so perfectly did they fill their respective roles.

I suppose if one really wanted to praise individuals, one could almost take them in their order of appearance on the night, with perhaps a little juggling with names in the centre of the pack, according to one's own taste.

To be a little critical and, at the same time complimentary, the decor and set, bearing in mind that this was a "short duration" show, was excellent - I gather one could even open the window. But what a pity that Alice, Lady Miller, exclaimed "Get a taxi - at this time of night!" when it was daylight outside the window; a small point for the Production Team to note. This apart, an excellent show and certainly one that will make all those who attended wish one had a more frequent opportunity to enjoy this type of live production.

DIAL A GENIE.

There was a coffee morning at Orchard House on 6th October, in aid of this venture, which is to form a group of local people who will be prepared to assist in crisis situations. The princely sum of £40.00 was raised for the funds and the organisers are extremely grateful for the help and support.

We have had over 80 calls for help in the short time we have been going. As we might have expected, most of these were for shopping and transport of one kind or another. But although these are very ordinary requests, we are learning just how vital they are, and how much difference can be made to the life of a lot of people if they have somewhere to turn when they most need to do so. We have also been told of some unusual requirements - one man was looking for a wife, another old lady needed someone to spend the nights in her house when her lodger was on holiday - the Genie listened sympathetically to the first request and found another saintly Genie to leave her own home in order to comply with the second.

Although we are still primarily an emergency service, we are often asked to do what might be called "morale boosting" for lonely or housebound people. We very much hope that we will be able to cope with this sort of work as well since it doesn't need much imagination, to understand the enjoyment it gives.

The £40.00 has ensured that our next 'phone bill can be paid, but we now need to advertise our scheme so that as many as possible will know about it. This, together with printing costs and transport expenses, means that we shall have to explore every possible way of raising funds - so if anyone has any bright ideas, please tell any Genie you might meet - or 'phone Chesham 76176.

The movement needs people who can help. We will -

1. Prepare you,
2. Support you,
3. And never take advantage of you -

Just let us know if you have a spare hour or so each week, or can sometimes help in emergencies.

Dial Chesham 76176 and ask for Genie Tuesday and Thursday - 10.00 a.m. to 12 noon, if you can help, or if you require assistance:

There is an urgent need for emergency accommodation.

COLESHILL FIRST SCHOOL - A CAUSE FOR CONCERN AND REJOICING. . .

Coleshill School has been a central part of the village and village life for 129 years. It holds memories for many old scholars in the village and many more widespread throughout the world. A couple of years ago, Peter Cole re-visited his old school before returning to New Zealand and more recently, Pat V'oods called while on a visit from Australia. Ronald Hase has been in touch with us as a result of an article and pictures which appeared in the Guardian. You may remember these people as children.

But along with several small schools in the County, Coleshill has been the subject of study by a Review Panel enquiring into the finances of small schools.

As a result of the happy outcome of that enquiry, a Coffee Morning was held in Coleshill First School on Saturday, 9th October, arranged by the parents and Friends Group to mark their rejoicing at the reprieve of the School. A large number of people attended and tribute was paid to the valuable work of Mr. James Denning, Chairman, whose energetic defence of the school, backed by the Group's membership, played a large part in the successful campaign to preserve the school. There was a raffle and sale of surplus refreshments. The cakes were provided by members of the Group. It was a happy occasion enjoyed by all those present.
